After President Olsen's welcome, Sydni Shollenberger, Secretary, read the minutes of the January 10, 2008, general membership meeting, copies of which were also available at the materials table in the auditorium. The minutes were approved as presented.

Hank Hine, the Dali Museum executive director, and the architectural team provided a Power Point presentation with artist's renderings of the proposed museum structure and site plan and responded to questions from the audience.

President Olsen introduced Peter Belmont, a DNA board member and director of St. Petersburg Preservation Inc. (SPPI) who presented a short infomercial on upcoming projects and events of SPPI, including guided walks of St. Petersburg's historic neighborhoods and awards for outstanding renovations that preserve the appearance of historic homes and buildings.
